

Features of LED

- LED type : OSRAM Oslon Square
- LED case: 3.0 mm x 3.0 mm
- Viewing angle: 120°
- IEC62471 Biological Eye Safety Test Report
- Up to 1800 mA
- Thermal resistance (typ.) : 3 K/W
- Voltage: 2.8 V
- Constant colour binning
- Constant brightness binning
- Constant voltage binning
- LM80 test report

Features of LED Module

- Ideal for park, garden, gas station, street and tunnel lighting
- Low energy consumption, high efficacy and long life
- Homogeneous illumination
- 3 years warranty
